

Cleaning Out Your Closets?

Our Alumni Association will take donations of Shortridge memorabilia of all kinds relating to Shortridge So if you don't want your letter jacket or old cheerleading sweater, club pins, Annuals or other documents, contact us and maybe we can give them a good home. In addition to our collection which we will showcase in the school, the Indiana State Museum and the Indiana Historical Society have large collections of materials from Shortridge graduates. And those items we can't use in our displays may be donated to them for other audiences.
